

# PIOTR TOCZYNSKI

film & video editor

I have excellent knowledge of editing workflows and can learn another NLE in a matter of days.

I love filmmaking & creative storytelling.

I genuinely care about the projects I work on and treat each film or video as if it will be watched by millions of people.

## PERSONAL PROJECTS

» I run a YouTube channel with content for editors.

» YELLOW TICKET, a short film I've written and directed is during its festival run

» I love interviewing filmmakers.

Last year I interviewed Walter Murch and Alex Gibney.

## PERSONAL TRIVIA

» I love teaching stuff to my kids. My son (6yo) can ride a bike, knows the basics of Premiere Pro, and we're about to play underwater chess soon :)
